#### PIMA

Oscar Tyler has returned from Clifton, where he has been employed for several weeks.

The party given by the religion class Thursday night was a success both socially and financially.

The business houses are beginning to put on their holiday attire. We are promised some very attractive displays.

Wm. Whipple, of Clifton, is down attending to some business matters connected with his Fairview ranch.

Roll McBride has returned from Whitewater and may be found at his post of duty on the end of a drum stick beating time for the band.

The parents and teachers' meeting was well attended Wednesday night. The people are beginning to realize the great benefits to be derived from these meetings.

Some of our town boys were up before Justice Mangum one day this week contributing their part toward the county government. It

is to be hoped they will soon learn that it doesn't pay to violate the law. Rich Beals is again on the streets after a long and severe siege of typhoid fever.

#### Foils a Foul Plot

When a shameful plot exists between liver and bowels to cause distress by refusing to act, take Dr. King's New Life Pills, and end such abuse of your system. They gently compel right action of stomach, liver and bowels, and restore your health and all good feelings. 25 cents at Safford Drug Co., Safford Ariz. 42-4t

On account of the work that I must do for my old patrons, I must remain in Safford until February 1st. All who require dental work in the meantime, I will do my best to get through with; but my old patrons must be attended to before I leave Safford. M. E. BRENNER. Adv. 43-1f

Mrs. Jesse Foster and little daughter left Thursday morning for their home in El Tigre, Mexico.

#### APPRECIATIVE MEETING

Is Glad to Read Guardian and Advises All to Boost

EDITOR GUARDIAN:—Your paper comes to me each week as a welcome message. When a person is a long way from home he can really appreciate the value of a home paper. The things he wants to read are not who is to be the next president of the United States, or what will the result be. But rather, who has the stork favored of late, or who has fallen victims to the arrows of Dan Cupid, and a hundred things he might never know was it not for his home paper.

I am glad you have been doing so much boosting for our beautiful valley. I think it is a cause in which every citizen should enlist. For if the Gila valley has any peers I have failed to see them. You can raise as much there on five acres as on a good sized farm in York State, and get a better price for it. Yours to boost the valley. J. V. PACE. Elmira, N. Y., Dec. 6, 1912.

#### Save Your Property

The many valuable buildings that have been destroyed by fire in Safford could have been saved if we had had water works. Subscribe for mountain water and do away with fire danger and reduce your rate of insurance. The loss recently sustained by Geo. H. Birdno, when his residence and all its contents, was burned, would have paid the cost of mountain water for more than 200 years. Don't fail to have mountain water. Adv. 1t

On account of the dangerous illness of her baby boy, our wide awake and energetic Thatcher correspondent, Mrs. W. A. Moody, was unable to furnish her usual budget of live, breezy items.

W. G. Chesser returned Wednesday from Phoenix, where he had been on a visit to his daughter, Mrs. Pauline Norton.

Dr. and Mrs. R. C. Dryden, of Pima, attended the card party given by the Eastern Star lodge Wednesday evening.

Lemonade made with pure mountain water, at The Palms, 10 cents per glass. 42-2t
